CAPE DORY 10

This is the boat that Cape Dory started with, and it's still going strong. The more experience you have sailing, the more you will appreciate the virtues of a *rigid* tender. You can row the Cape Dory 10 to windward, when you have to — it will carry a remarkable amount of gear — and best of all, you can sail it yourself or send the kids off when you've settled down for the night. The Cape Dory 10 is a heavily-built fiberglass hull with integral centerboard trunk, and positive foam flotation under the seats. The seats, rail and centerboard trunk cap are all teak. Hardware is bronze, and rigging is dacron. The standard sail is striped nylon.

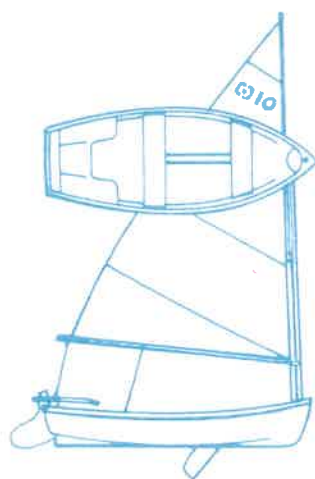

We are very proud of our first product, and continue to make it with the same care and attention to detail as we did in the very beginning.

CAPE DORY

10

"Sail Away Price"
Standard boat
with sail...\$1295

The original Cape Dory...a sturdy, versatile, fun-filled boat that is a joy to sail and row. A rugged boat that appeals to many sailors as an ideal tender. The Cape Dory 10 is an excellent example of traditional and functional design accomplished with modern materials. She has a rugged fiberglass hull, solid teak gunwales and seats, trimmed with bronze hardware, to make the Cape Dory 10 durable and carefree. She is a sound boat and a sound value. In addition to the rudder and tiller, adjustable centerboard, she comes with a striped sail and a simple Gunter rig as standard. The Cape Dory 10...a great boat to start with and still going strong.

CAPE DORY 10

L.O.A. 10' 6"
Beam 49"
Draft (board up) 5"
Draft (board down) 24"
Sail Area 68 sq. ft.

The original CAPE DORY...a sturdy, versatile, fun-filled boat that's equally at home sailing or rowing. The 10 can be a tender; she's complete with tow ring, and rows easily even when fully loaded. Or she's a safe, sure training boat for younger crew members; they'll learn to sail correctly and have a lot of fun at the same time. With a full hull weight of 150 lbs., she's nicely balanced yet outstandingly stable in the water, and totally secure, too, with a well-distributed reserve flotation of 250 lbs.

She'll stand up to any kind of weather or wear; her rugged fiberglass hull, solid teak gunwales and seats, teak trim, and bronze hardware combine to make the 10 durable and care-free. And all the equipment you need is standard on the CAPE DORY 10, right down to her snappy striped sail. The CAPE DORY 10...a great idea to start with, and still going strong.
